

Remote Access - Kronos

How to access Kronos using Citrix.

Audience

Faculty	✓
Staff	✓
Students	✗
Others	✗

Step-by-step guide

- [Step 1: Install Citrix Receiver](#)
- [Step 2: Open the Citrix Portal](#)
- [Step 3: Open Kronos](#)

Login

Your login credentials will be the same login you use for your office computer when working remotely, NOT your eTenet account.

Step 1: Install Citrix Receiver

If you already have the Citrix Receiver installed then you can skip to Step 2

Click the link for the computer you will be using,

Windows: <https://www.citrix.com/downloads/workspace-app/windows/workspace-app-for-windows-latest.html>

Mac: <https://www.citrix.com/downloads/workspace-app/mac/>

Within the download page, choose the option that says either,

"Download Receiver for Windows" or "Download Receiver for Mac"

Compatible with

Windows 10, 8.1, 7, 2008R2, Thin PC as well as Windows Server

[Download Receiver for Windows](#)

(41.4 MB - .exe)

Once the file downloads, install it by double-clicking the file and following the prompts. The Citrix Receiver plugin is now installed.

Restart your computer before proceeding to Step 2

Step 2: Open the Citrix Portal

Navigate to <https://satxcitrix.etenet.com>, remember, use your SATX or desktop login credentials even though it says "etenet.com"

Step 3: Open Kronos

After you have logged in, you should have a page similar to the below, you might have more or less but everyone will have "Kronos"

All Apps

Athena Health

BHS Home Page

BHS My Shared Drives

EMon

EMon 11

Healthstream for Dr

Kronos

Type in your Kronos username and password.

The image shows the login interface for Kronos Workforce Central. It features a dark blue background with the Kronos logo in the top left. The text 'Workforce Central' and 'Version 7.0.10' is displayed in the top right. Below this, it says 'WEB8 Server' and 'PRODUCTION' in large white letters. There are two input fields: 'User Name' and 'Password'. A blue button with a right-pointing arrow is next to the password field. At the bottom left, there is a warning icon and a message: 'Unsupported browser. Users of IE 8 and higher should turn off Compatibility View.'

Close window when finished.
